IIM-A's final PGP placements from February 13

TNN | Feb 8, 2017, 06.31 AM IST

AHMEDABAD: The process of final placements for the Post-Graduate Programme (PGP) class of 2017 of Indian Institute of Management-Ahmedabad (IIM-A) will begin on February 13.

A statement from the premier B-school said that IIM-A follows a 'cluster cohort placement process' wherein companies offering similar job profiles are grouped into cohorts. Several cohorts are invited to the campus in a particular cluster.

The first cluster will hold interviews on February 13 while the second and third on February 16 and February 19 respectively, said the IIM-A

statement.
